Fun facts about pets:

Dog nose prints are as unique as human finger prints and can be used to identify them.

Female cats tend to be right-pawed, while male cats are more often left-pawed. Interestingly, while 90% of humans are right handed, the remaining 10% of lefties also tend to be male.

Touch is the first sense a dog develops. The entire body, including the paws, is covered with touch-sensitive nerve endings.

The first commercially cloned pet was a cat named "Little Nicky." He cost his owner \$50,000, making him one of the most expensive cats ever.

Bark on Biddle

Downtown Wyandotte, off Biddle Ave.

Shop, Dine & Play with your dog at Bark on Biddle in Downtown Wyandotte! This two day dog festival will take place in the riverfront parking lot (just off Oak and Biddle Ave.) and parts of Bishop Park. There will be plenty of "paws-on" activities for consumers and their pets and hours of entertainment, including the [Ultimate Air Dogs](#) dock jumping competition, Barn Yard Hunt and [Disc Dogs of Michigan](#). Dogs can participate in one of many contests throughout the weekend to win prizes. Several local animal rescues will be on-site with pets looking for their forever homes. There will be live bands and a [Tito's Handmade Vodka](#) "Bark Garden". Tito's will be donating \$1 to the [Detroit Dog Rescue](#) and [WAG Animal Rescue](#) for every Tito's drinks sold at [Bark on Biddle](#) and participating bars and restaurants. Find out more on their [Facebook page](#).

We have some exciting news to share! But we are still a month or so away, but are getting closer. So stay tuned. :-)
Okay, we're still not there yet. But we can give you a hint. We are starting a new web site devoted to animal rescues! We will be selling products, and 20% of EVERY item purchased will be donated to YOUR favorite animal rescue!

Thank you for reading our newsletter! We hope you enjoyed it.

And please feel free to share it with anyone and everyone.
